SENIORS NEED YOU!

Volunteer in your community

You've got just what it takes to help your neighbors in need. Many older, low income taxpayers miss out on credits and deductions they've earned because they can't afford to pay for professional tax preparation. With the help of neighbors like you, AARP Foundation Tax-Aide offers free tax preparation and filing help to those who need it most. You can make a big difference in someone's life. We'll show you how.

We're looking for compassionate and friendly individuals to join our team of local volunteers for the 2022 tax season. Our volunteers receive training, IRS certification and continued support in a welcoming environment. And, as our current volunteers say, you'll not only learn new skills but also get that great feeling from helping someone else.

Press Release—November , 2022 Free AARP Tax-Aide Program returns in February

Free tax return preparation will be offered again at the Great Barrington Claire Teague Senior Center every week starting in February and continuing through April 14th. The service is available to all but is intended for middle and low-income taxpayers with special attention to those aged 60 and older. Volunteers trained in cooperation with the IRS will assist in filing returns, either electronically or on paper. Taxpayers do not need to be a member of AARP or a retiree to use this service.

After contacting the Senior Center for an appointment a document package will be available for pickup by the taxpayer. The document package will contain a multi page Tax-Aide question form (13614-C). The package will also contain a checklist of required documentation to be supplied on the day of the appointment. All data pages in the document package must be completed before the first appointment. Tax returns may not be completed on the appointment day as in prior years.

Taxpayers are required to have the below listed documents when they arrive to get their returns started. If they don't have all applicable the documents the return can't be completed and a follow -up appointment may be scheduled. <u>Taxpayers must provide their phone number so the tax team can discuss the return and resolve questions as needed</u>.

Appointment scheduling will begin January 16th, 2023.

You can call the Clair Teague Senior Center starting January 16th at 413-528-1881 for an appointment.
