

# The State of Agriculture in Southern Berkshire

Where we are and where we  
are going - help make it happen!

What

**Keep Berkshires Farming Community Forum**

Where

1<sup>st</sup> Congregational Church 251 Main St Great Barrington

When

October 22<sup>nd</sup> 6:30 – 8pm

Why

Help identify how we can support and strengthen  
regional agriculture and food production.

**Who should attend?**

Anyone from Great Barrington, Sheffield, Alford,  
Egremont or Mount Washington interested in local food,  
farms and healthy food access.

*Keep Berkshires Farming (KBF) is group of local volunteers working together to understand our regional food system and identify strategies to improve the agricultural economy, local markets for and access to local food. The Great Barrington Agricultural Commission initiated and supports KBF with guidance provided by the Glynwood Center and the Berkshire Regional Planning Commission.*
