**Rear View:**

- Christine Ward and Sharon Siter delivered a notable demonstration about identifying birds, both at our feeders and in the fields. Thank you, Christine and Sharon!
- Great Barrington Health Care offered-up, once again, another exceptional and complimentary meal for our Cinco De Mayo Latin Lunch. Muchas gracias! ¡Le apreciamos!
- The MMRHS Pathway students, Nancy Grahm, Dianne Dillion, and the jazz band are to be commended for making our first "Senior Prom" a huge success.
- Jenn Bailly, through the training she received with CTSB, has been video-recording some of our programs, such as our Tai Chi class which will allow the participants to continue with the class while the instructor is out on medical leave. The Senior Prom was also recorded and we were pleased to accommodate a parent of one of the students who requested a copy.
- Kitchen volunteers have been working overtime, filling in for volunteers that are absent due to illness.
- We had a few people attending the *free* Estate Planning session. Dining for Women was pleased to hold one of their meetings at the Senior Center and plan on scheduling another in the future. To those who are unfamiliar with what we do here, all of these events help to reveal the inner workings of the Senior Center.
- On May 25<sup>th</sup> Polly met with our representative, Smitty Pignatelli, along with a number of community members, to examine the possible use of the old Eagleton School site as an adult day program. Polly and John Lutz, Executive Director of Elder Services discussed the need for a larger adult day program in south county and they speculated, that, if, funding were available, an addition to the Senior Center might be conceivable down the road.
- Polly requested the GB COA to consider what would be the most advantageous use of the \$50,000 grant earmarked for the Senior Center (if, and when, it becomes available).
