**ATTACH A PHOTO OR SKETCH INDICATING THE COLORS AND MEASUREMENTS OF THE  
PROPOSED ALTERATIONS**

**Submittal Requirements:**

- (a) Applicants to the Design Advisory Committee shall address all standards listed in Subsection E below. If the project involves a variance, special permit or building permit, any information required for it should be included. The Committee may request additional information if it deems to be relevant.
- (b) Each application shall be accompanied by photographs of the existing buildings and/or site, showing the area to be modified.
- (c) The following scaled drawings shall accompany the application, unless this requirement is waived by the Design Advisory Committee.
  - 1) Small scale (minimum 1/8 inch equals one foot zero inches) elevation sketch or photo showing the existing building with proposed changes and adjacent buildings.
  - 2) Large scale (minimum 1/2 inch equals one foot zero inches) elevation showing proposed changes. Sketch or photo
  - 3) Section details (minimum 1/2 inch equals one foot zero inches).
  - 4) Building plans as submitted to the Building Inspector.
