

Minutes

Housatonic Improvement Committee

November 10, 2020

The meeting was called to order at 6:42 pm.

Housatonic School Update

There is no date set for the charette, yet.

Patrick will call Kerry Bartini to check about the technology that will allow it to be public.

Dan will call the town to see if a video can be provided showing the interior of the school

Eric talked about the library's comprehensive planning report of June 2020.

We need to check about zoning. Angela volunteered to contact Chris Rembolt to attend the next meeting.

Patrick will find the Greyhouse Partners proposal and send it.

Other potential users were mentioned: CDC, Berkshire South.

Water in Housatonic

The quality seems better. There have been only a few responses to our call for comments.

Since October 29, there is an engineering report posted on the website regarding water condition.

Citizens' Speak

Pat Hollenbeck spoke and conveyed enthusiasm for the library plan.

Regarding the school, he suggested putting a sign on the school to encourage interest, talking to the Flying Cloud Institute, MIT. He suggested outlining the benefits of the building before the charette; he asked about parking; and asked if the Dome was part of the package?

He suggested a program of holiday lights in Housatonic between Thanksgiving and Valentine's Day to call attention to the village and make it look more inviting.

Next Meeting: November 24th

The meeting was adjourned at 7:54 pm.

End of Minutes;

Respectfully Submitted

Angela Lomato
