

## **TOWN OF GREAT BARRINGTON DEVELOPMENT REVIEW TEAM**

The **Development Review Team** (DRT) was created as an initiative of the Town Manager and Board of Selectmen in order to closely coordinate current development projects and to provide preliminary review of potential applications. The DRT members are:

- Town Planner (Chair)
- Building Inspector
- Conservation Agent
- Fire Chief
- Health Inspector
- Superintendent of Public Works
- Police Chief

Potential applicants are strongly encouraged to schedule a meeting with the DRT prior to, and hopefully well in advance of, submitting applications to the Town Boards for special permits, subdivisions, etc. We will help guide you through the application process, answer particular planning, building, and infrastructure questions you may have about your site, and raise any “red flag” issues prior to you preparing detailed plans.

Please call the Town Planner’s office at (413) 528-1619, ext. 7 to schedule a meeting.
