

Ramsdell Building Committee

The Ramsdell Building Advisory Committee was formed to assist in the design of a modern, progressive, next-generation library and provide recommendations to the Selectboard and Board of Library Trustees throughout the Massachusetts Board of Library Commissioners (MBLC) building grant process.

The committee accomplishes this goal through the following methods:

- 1) Making recommendations regarding the design and function of the library.
- 2) Soliciting input from the Library Board of Trustees, staff, Friends of the Great Barrington Libraries, and the community-at-large.
- 3) Keeping the Board of Trustees informed with a report at each monthly board meeting.
- 4) Becoming familiar with design principals, both functional and aesthetic, of 21st-century public libraries.
- 5) Reviewing the current Library Building Program, and assisting with other tasks necessary to be eligible for a grant application to the Massachusetts Public Library Construction Program (MPLCP) due May 31, 2024.
- 6) Assisting in establishing design priorities.
- 7) Reviewing final design documents.
- 8) Making final design recommendations to the Board of Trustees, Selectboard, and Town Manager for approval.
