

GREAT BARRINGTON LOCAL RAPID RECOVERY PLAN PUBLIC MEETING

WE WANT YOUR INPUT!

Great Barrington is participating in the Massachusetts LRRP Program to help communities develop Local Rapid Recovery Plans for downtowns and commercial districts.

Over the last two months, a survey was conducted of businesses and non-profits in our downtown to understand how COVID-19 has impacted them and to gather thoughts on what is working and what needs improvement downtown.

In addition, site visits assessed the physical environment, business environment, and administrative needs of the downtown area.

The public meeting on May 20th at 5:00 PM will explore survey and site visit results, and review some potential projects to help downtown Great Barrington recover. Your input will help develop a plan that meets local needs and inform future policy decisions.

We look forward to seeing you on May 20th at 5:00 PM via Zoom!

A recording of the meeting will be shared for those who are unable to participate.
