TOWN OF GREAT BARRINGTON
TOWN MEETING
AT MONUMENT MOUNTAIN REGIONAL HIGH SCHOOL
PARKING LOT (OUTSIDE MEETING)
600 STOCKBRIDGE ROAD
JUNE 25, 2020 AT 6:00 PM
MINUTES – Night Two

In pursuance of the foregoing warrant the inhabitants of the Town of Great Barrington qualified to vote in Town Meetings proceeded to vote at the above named meeting place with the following results. The meeting was duly called to order at 6:02 P.M. by Moderator Michael Wise who welcomed everyone to the Town Meeting. He noted that he hoped to conclude all business this evening. Mr. Wise stated that there was a quorum present and noted the return and service of the warrant. He announced that the meeting is being taped for broadcast at a later date and any use of social media during the meeting is prohibited.

The rules of the meeting were explained by Mr. Wise. The meeting will be governed by the Massachusetts General Laws, the Bylaws of the Town of Great Barrington and Town Meeting Time. Only registered voters of the town may participate in the meeting unless permission is granted by the moderator. Before anyone addresses the Town Meeting, he/she must proceed to the microphone and when recognized by the moderator state their name and address. Mr. Wise requested that voters speak only once per motion and limit their comments to three minutes. Comments should be limited to the merits of the motion and should not be repeated. All motions and amendments must be made in writing and any motion to reconsider must be made within 15 minutes of the announced vote. All questions are to be addressed to the moderator who will ask the appropriate person to respond. Each voter has received a warrant, a yellow card and a packet of yes/no cards. Mr. Wise will instruct voters when these are to be used and what color to use if needed but he doubted they would be needed. He noted that a counter has been assigned to each section of the parking lot and they will report their numbers at the microphone when ready.

A motion was made by Mr. Wise, seconded by someone in the audience to dispense with the continuing of the warrant beginning with article 22.

VOTED AT 6:06 PM
ARTICLE 22: (2/3 majority, Zoning by Citizen Petition)

We the undersigned voters of Great Barrington hereby request the following modifications to Section 8.4 of the Zoning Bylaw, to be added to the Warrant at the 2020 Annual Town Meeting. These same modifications regarding Mixed Use Development (MXD) were put forth by the GB Planning Board at the 2019 Annual Town Meeting and approved by an overwhelming majority of voters. The Town vote was subsequently overturned by the Massachusetts Attorney General due to a procedural error, based on the Town’s failure to present the required publication of the Amendment prior to the vote.

We are hereby submitting and requesting for the 2020 Warrant that the language contained in the 2019 Warrant Amendment be voted on again. To note, this is the identical language that was endorsed by Select Board and Planning Board in 2019, and approved by the Town of Great Barrington voters at the 2019 Annual Town Meeting:

Article 21, Amendment 6, Section 8.4 of the Zoning Bylaw:

6. Amend portions of Section 8.4, mixed use development, as follows

8.4.1 General. For mixed uses in the B, B2, I, and I2 zones, all of the following requirements shall apply. For mixed uses in the B3 zone, see Section 9.4. For mixed uses in the HVC and HVOD zones, see Sections 9.9 and 9.10 respectively. For mixed uses in MXD zones, see Section 9.11. The requirements of this section shall apply to mixed use development. Where zoning districts have requirements that conflict with this section, the requirements of the applicable zoning district shall prevail.

8.4.2 Requirements.

1. When residential use is combined with other nonresidential permitted uses, the controlling dimensional requirements shall be the less restrictive. For the multifamily component of a mixed use development there shall be at least 2,500 square feet of lot area per dwelling unit. The Selectboard may, by special permit, reduce the lot area per unit requirement.

A portion of the street level floor space shall be reserved for nonresidential use. Inside the Village Center Overlay District, this portion shall be a minimum of 75%. Inside the Village Center Overlay District, a minimum of 75% of street-level floor space shall be reserved for nonresidential use. Outside the Village Center Overlay District, a minimum of 25% of street-level floor space shall be reserved for nonresidential use. The Selectboard may, by special permit, reduce the nonresidential space requirement.

On a motion by Barbara Matz and seconded by Michael Kernan, that the modifications above be added to Section 8.4 of the Zoning Bylaw.

Barbara Matz spoke on this article. The following people also spoke on this article:

Pedro Pachano  Brandee Nelson  Michael Kernan
Jonathan Hankin  Steve Farina

The Moderator asked if the Planning Board had a hearing on this matter and Brandee Nelson, Planning Board Chair, said yes. She said they wanted to put it back on the warrant for the Special Town Meeting that was going to be held later on this year.

The Moderator for asked for a vote on this article. He asked the tellers to count the slips when he asked for the yes or no vote. There was an issue the first time with the counting by the tellers as a whole row of voters was missed so it had to be counted a second time.

ARTICLE 23: (Zoning by Citizen Petition)

To ask Town residents to vote to amend Zoning Bylaw §9.11 as set forth below, and to amend the Zoning Map accordingly:

1. Amend a portion of Section 9.11, Mixed Use Traditional Zone (MXD) as follows:

9.11.2 Location. The MXD shall consist of the land shown on the 2015 2016 Town of Great Barrington Assessors’ Map 22 as Parcels 2, 3A, 4-13 4-6, 18-63 63, 66-88 66-72, 81-88, 88A and on Map 25 as Parcels 1-4.

2. Amend the Zoning Map by placing the following parcels in a R3 zone, as follows: the land shown on the 2016 Town of Great Barrington Assessors’ Map 22 as Parcels 7-13, 18-62, 73-80.

Purpose of the Amendment: At the 2016 Annual Town Meeting the Town Planning Board put through a proposal that created the MXD zone. The stated purpose of the 2016 proposal cites “the recommendations of the 2013 Master Plan to update the zoning in certain commercial areas within walking distance of a village center, to preserve and enhance the mix of residential and retail uses, and to reflect the context of the built fabric.” This MXD zone does not accomplish its stated purposes. It joins together two drastically different neighborhoods: the Mahaiwe Triangle (mostly residential parcels on Pope, Mahaiwe and Manville Streets, and 14 residential parcels along nearby Main Street) with commercial parcels west of Maple Avenue and south of Manville Street. The Mahaiwe Triangle is not a commercial area; it consists of one-family residences 60-120 years old with a smattering of houses legally converted into two-family and professional space.

As two separate pending lawsuits are demonstrating, this MXD zone has created a loophole by which land developers are acting without any effective zoning regulations. By examining the Table of Use Regulations in Zoning Bylaw §4.1.2, it is appropriate to place the Mahaiwe Triangle in a R3 Zone.

VOTED TO REFER TO NEXT SPECIAL TOWN MEETING AT 6:38 PM
ARTICLE 25: (Zoning by Citizen Petition)

We the undersigned submit this citizen’s petition to the voters of the Town of Great Barrington:

To see if the Town will vote to amend sections 7.18.4 and 7.18.5 of the Great Barrington Zoning bylaw 7.18 Marijuana Establishments and Medical Marijuana Treatment Centers and modify section 3.1.4 Table of Uses accordingly or to take any other action relative thereto.

Purpose of the Amendment: The undersigned propose this amendment in response to the concerns expressed by some residents in numerous public meetings and forums as to the negative impacts of marijuana businesses in our community, particularly those located or proposed to be located in or near our residential neighborhoods. Our Master Plan states, “Great Barrington’s vision includes protecting and enhancing our compact village centers, historic treasures, natural resources, farms, and open spaces, all of which contribute to Great Barrington’s distinctive character. Our goals include directing development and growth into village centers, supporting existing residential neighborhoods, and ensuring that new developments in resource areas are sited and build in a way that sustains our rural countryside and agricultural areas.”

The Master Plan further states, “Residents expect and deserve quiet neighborhoods free from odor, glare, noise and other impacts of commercial activity. Proper buffering and design standards can help ensure business remains healthy and residential property values remain stable, while still encouraging concentration of development in the core areas.” The undersigned bring forward the below changes to Zoning by law 7.18 in an effort to better align this bylaw and the Table of Uses with the goals and objectives of the Master Plan.

Proposed deletions of existing text are struck through. Proposed insertions are underlined.

Amend Portions of Section 7.18.4 as follows:

7.18.4. Locational requirements. Marijuana establishments may be located in accordance with Section 3.1.4, Table of Use Regulations, except as follows:

1. No marijuana establishment or medical marijuana treatment center may be located closer than 2400 feet from a preexisting public or private school providing education in Kindergarten or any of Grades 1 through 12 child care facility, including preschools and daycare centers, or any facility in which children commonly congregate, including, but not limited to, a public library, a playground or park, and athletic field or recreational facility, a place of worship, or a town-owned beach.

2. The distance in paragraph 1 is to be measured in a straight line from the nearest point of the property line of the proposed marijuana establishment or medical marijuana treatment center and the nearest point of the property line of the protected uses stated above in paragraph 1.

3. The Selectboard may, by special permit pursuant to Section 10.4, authorize a deviation from this distance requirement if it finds the marijuana establishment or medical marijuana treatment center will not be detrimental to a protected use.

4. No Marijuana Establishment of Medical Establishment of Medical Marijuana Treatment Center will be allowed in any Residential District as described in Section 2.0 of the Zoning Bylaws.

5. Other types of marijuana establishments licensed by the Massachusetts Cannabis Control Commission may be permitted in accordance with the appropriate use category in the Table of Use Regulations.

Amend portions of Section 7.18.5 as follows:

7.18.5. Physical Requirements. In addition to pertinent requirements of implementing regulations of the Massachusetts Cannabis Control Commission. Marijuana establishments and medical marijuana treatment centers shall comply with the following:

1. All aspects of a marijuana establishment or medical marijuana treatment center relative to the acquisition, cultivation, possession, processing, sales, distribution, dispensing, or administration of marijuana, products containing marijuana, marijuana accessories, related supplies, or educational materials shall take place at a fixed location within a fully enclosed building or fenced area dedicated to the cultivation of marijuana and shall not be visible from the exterior of the business.

2. No unprotected storage of marijuana, related supplies, or educational materials is permitted.

3. No use shall be allowed by a Marijuana Establishment of Medical Marijuana Treatment Center which creates a nuisance to abutters of the surrounding area, or which creates any hazard, including but not limited to fire, explosion, fumes, gas, smoke, odors, obnoxious dust, vapors, offensive sound or vibration, flashes, glare, objectionable effluent or electrical interference, which may impair the normal use and peaceful enjoyment of any property, structure or dwelling in the area.

4. No odor from marijuana or its processing can be detected by a person with an unimpaired and otherwise normal sense of smell at the exterior of a Marijuana Establishment or Medical Marijuana Treatment Center or at any adjoining use of property.

5. No noise from the establishment of its operations, including but not limited to ventilation, can be detected by a person with unimpaired and otherwise normal hearing at the exterior of a Marijuana Establishment of Medical Marijuana Treatment Center or at any adjoining use or property.”

To see if the Town will vote to amend sections 7.18.4 and 7.18.5 of the Great Barrington Zoning bylaw 7.18 Marijuana Establishments and Medical Marijuana Treatment Centers and modify section 3.1.4 Table of Uses accordingly or to take any other action relative thereto.
6. Marijuana Establishments or Medical Marijuana Treatment Centers with grow operations in a translucent building shall not illuminate grow operations between dusk and dawn.

7. Marijuana not grown inside a securable structure shall be enclosed within a six-foot fence, and inasmuch as possible the plants shall be screened from view, at grade, from a public way or from a protected use.

8. No outdoor cultivation of marijuana shall be allowed within fifty (50) two hundred (200) feet of any property line.

On a motion by Stephen Bannon and seconded by Karen Smith, that the Town refer this article to the Planning Board and that the Selectboard place this article on the warrant for the next Special Town Meeting, without any further action required of the petitioners.

The Moderator asked for a vote on this article.

VOTED TO REFER TO NEXT SPECIAL TOWN MEETING AT 6:40 PM

ARTICLE 26: (Citizen Petition)

To see if the residents of this Town will vote to amend Chapter 241 of the Town Code, Division 3 Miscellaneous Rules and Regulations, as set forth below:

1. Amend Section 241-1 Placement on Agenda, as follows:

   Every Great Barrington committee or board, whether appointed or elected, shall place on their agenda of public meetings an item for citizen speak time. Except for procedural and housekeeping matters, Town residents shall have the right to address a Board on any item that requires a vote at a time before a Board votes on that item. Such residents will be allowed as much time as the proponent of an item is permitted to have.

Purpose of the Amendment: Under current law and procedure, residents have the right to speak at a public hearing or on a special permit or during Citizen Speak at the end of the evening’s meeting or when recognized by the Chair of a Board. There are often items on the agenda of a public meeting for which a Board will have a discussion and vote. Each Board allows the proponent of an item to present its proposal and to present evidence and testimony relative to such proposal. During and after such presentation, a Board may ask questions of the proponent. Rarely does a Board allow residents the right to speak at that time, before a vote on the item. Residents may speak as of right during the Citizen Speak portion at the end of a meeting. But this may be of little consequence to the merits of a proposal as a vote has already been taken. There are often meetings where a Board member may commend a resident on their comment and how the comment was relevant to the proposal. Unfortunately, the vote had already been taken.

This amendment will give residents the right to speak on a particular item at a time when the discussion of an item is still a viable matter. That is, the right to speak and offer comment on matters that affect them, before a Board has voted. In this way, a Board will have the benefit of hearing more than one side of an issue, not just the proponent but also those affected by such proposal. A Board must listen to more than just the proponent of a proposal.

On a motion by Michael Kernan and seconded by someone in the audience, that the Town refer this article to the Planning Board and that the Selectboard place this article on the warrant for the next Special Town Meeting, without any further action required of the petitioners.

The Moderator asked for a vote on this article.

VOTED TO REFER TO NEXT SPECIAL TOWN MEETING AT 6:42 PM

ARTICLE 27: (Citizen Petition)

To see if the residents of this Town will vote to amend Chapter 189 of the Town Code, Division 2 Selectmen’s Regulations, as set forth below:

Amend Section 189-1 Meetings, subdivision C, paragraph (4), as follows
(4) Although the press and the public have the right to be present at any open meeting, they have no right to participate unless they are recognized by the Chairman. Except for procedural and housekeeping matters, Town residents shall have the right to address the Board on any item that requires a vote at a time before the Select Board votes on that item. Such residents will be allowed as much time as the proponent of an item is permitted to have.

Purpose of the Amendment: Under current law and procedure, residents have the right to speak at a public hearing or on a special permit or during Citizen Speak at the end of an evening’s meeting or when recognized by the Chair of the Select Board. There are often items on the agenda of a public meeting for which the Select Board will have a discussion and vote. The Select Board allows the proponent of an item to present its proposal and to present evidence and testimony relative to such proposal. During and after such presentation, the Select Board may ask questions of the proponent. Rarely does the Select Board allow residents the right to speak at that time, before a vote on the item. Residents may speak as of right during the Citizen Speak portion at the end of a meeting. But this may be of little consequence to the merits of a proposal as a vote has already been taken. As an example there was a recent meeting where a Board member commended the resident on their commitment and how the comment was relevant to the proposal. Unfortunately, the vote has already been taken. This Amendment will give residents the right to speak on a particular item at a time when the discussion of an item is still a viable matter. That is, the right to speak and offer comment on matters that affect them, before the Board has voted. In this way, the Board will have the benefit of hearing more than one side of an issue, not just the proponent but also those affected by such proposal. The Board must listen to more than just the proponent of a proposal.

Whereas the storage and disposal of hazardous and toxic waste, including PCB’s from a variety of sources to include the “Rest of River” cleanup by GE is deleterious to the health of all life;

We sign this petition to close down and outlaw all privately owned “prisons-for-profit” state-wide in MA.
