Southern Berkshire Public Health Collaborative to offer Pop-up Drive Through Rapid COVID-19 testing Clinics in Lee and Sheffield

LEE/SHEFFIELD-– To help residents make safe decisions about gathering for the holidays and returning to work or school after possible exposures, the Southern Berkshire Public Health Collaborative will offer pop-up, drive-thru rapid COVID testing clinics in Lee and Sheffield. The dates/times are:

December 22, 2021, in Lee 4:00-6:00pm at the Airoldi Building, 45 Railroad Street
December 23, 2021, in Sheffield 8:00-10:00am at the Bushnell-Sage Library, 48 Main Street
December 29, 2021, in Lee 4:00-6:00pm at the Airoldi Building, 45 Railroad Street
December 30, 2021, in Sheffield 8:00-10:00am at the Bushnell-Sage Library, 48 Main Street and in Lee 4:00-6:00pm at the Airoldi Building, 45 Railroad Street

Advance registration is required. Testing is free. Both children and adults are eligible, whether symptomatic or not. Antigen test results will be shared the same day. Questions may be emailed to Amy Hardt, Public Health Nurse, amy@tritownhealth.org. To sign up for an appointment, visit https://www.signupgenius.com/go/10C0F44ACA72AA0FBC07-binaxnow
