She noted this is the 20th anniversary of Railroad Street. The request is to use the field and the skate park. The event is free of charge. The initial proposal is to have food trucks on Memorial Field as long as it isn’t wet. The other part of the field will be for ultimate Frisbee that is being coordinated by Monument Mountain Regional High School. Stephen said we need to ask Sean VanDeusen to get us a price to fix the bowl correctly. Sean McTeigue will contact the DPW Superintendent and they will get together and walk the area to get an idea of costs.

4. OLD BUSINESS:
None
5. **NEW BUSINESS:**
   
   **A. Berkshire South**
   Steven Leonard presented a Parks Activity Proposal for the outreach activity to be planned for the summer of 2019 for Lake Mansfield and the Housatonic Playground. He noted Lake Mansfield’s coordinator is returning. The Housatonic Coordinator moved on so they are looking for a replacement. It was suggested to contact the Lake Mansfield Task Force and Lake Mansfield Alliance as they have talked about doing similar activities. They may be able to put money towards special events. Steve presented costs for the special activities that amounted to approximately $1,500.00. It was noted that Memorial Day weekend isn't good as people go away. Steven said they could look at other dates. William Meier said for showing movies, there is a licensing fee to show movies for public viewing. Ananda said that the contract budget is based on what was created before outreach proposals. The way the RFP is set up, it shows a per hour rate based on the whole cost of everything planned for but doesn’t necessarily include outreach programs. Bill suggested that if movie nights are done, extra staff will have to be available especially at the lake to keep people from swimming in the lake at night. A movie could be shown on the wall of the Housatonic School. You can charge people or get support from local businesses. Ananda said if there is a group of kids between 14 and 25, they could go before the Youth Operational Board to ask about covering the fee.

   **B. Railroad Street Youth Project**
   Already discussed Parks Usage Request.

   **C. Temporary Placard – Karen presented a draft of the Great Barrington Olympian Meadows Temporary Placard Proposal.** This would allow a local business to apply for a temporary placard to generate income for Little League which would help with the cost of renovations and upkeep of the baseball fields. The placards would be 3.5’ x 8’, or 2’ x 6’. There is room enough for 66 placards. The cost will be $250.00 a season. The temporary placard season will begin April 27th through October 10, 2019. Little League will review the content of the placards before they are put up. They will be put up by a professional. There won’t be political advertising or religious messages. Funding was secured for a new score board sign. There will be a placard under the score board noting the business that donated the money for the scoreboard. Eric Kreis was present in regard to the placards.
