FINANCIAL GOALS

- Maintain adequate financial resources to sustain municipal services in the short and long term.
- Respond to the changes in the economy and meet the priority needs of our Town.
- Provide quality services efficiently and on a cost-effective basis.
- Maintain appropriate financial capacity for present and future needs.
- Maintain our top level AAA credit rating.
- Ensure tax rate is reasonable and affordable.

FINANCIAL MANAGEMENT POLICY

Revenue

- Services provided may not exceed available resources.
- Process must provide quality estimates of available revenue.
- Process must anticipate any changes in revenue in upcoming years.
- Seek to diversify revenue sources.
- Estimate available resources including state funds, local funds, fees, grants and other sources.

Real Estate Tax

- Maintain use of a single tax rate for all classes of property.
- Town must restrict levy to a 2.5 % increase over the prior year levy limit adjusted for new construction growth and net debt and capital exclusions, as per Mass General Law.
- Proposed budget to not exceed legal property tax levy. Evaluate local estimated tax rate based on level of affordability including: average and median income; average and median value of real property and the cost of living.
User Fees
- Establish user fees and other non-property tax revenues to recoup, to the extent possible, the costs of supplying a particular service.
- Review current department fee structures and charges for services annually to determine if they reflect the cost of the service and are also reasonable and affordable fees.

Debt Management
- Allow no borrowing to fund operational programs.
- Debt service payments may not require the elimination of essential Town services.
- Ensure that the Town’s general obligation debt ratio not exceed 50% of statutory limit (5% of equalized valuation).
- Exempt from Proposition 2 ½ any long-term capital debt for municipal buildings, WWTP improvements, fire apparatus acquisition and school facilities improvements.

Service Delivery
- Manage financial resources through internal controls.
- Establish operation practices that minimize the cost of government and financial risk.
- Provide efficient public services.
- Minimize the cost of administration.
- Identify and measure performance outcomes.
- Review the level of services and standards annually.

BUDGET PREPARATION PROCESS

The FY 2018 budget will be estimated in accordance to municipal code and applicable state law. The budget is based on separate funds set forth from anticipated revenues and expenditures for the General Fund and the Enterprise Fund.

The annual operating budget will contain complete financial statements that show outstanding obligations of the municipality, cash on hand to the credit of each fund, funds received from all sources during the preceding year, funds available from all sources during the ensuring year, revenue estimates to cover expenses in the proposed budget and the estimated tax rate required to fund the proposed budget.
