The State of Agriculture in Southern Berkshire

Where we are and where we are going - help make it happen!

What
Keep Berkshires Farming Community Forum

Where
1st Congregational Church
251 Main St
Great Barrington

When
October 22nd
6:30 – 8pm

Why
Help identify how we can support and strengthen regional agriculture and food production.

Who should attend?
Anyone from Great Barrington, Sheffield, Alford, Egremont or Mount Washington interested in local food, farms and healthy food access.

Keep Berkshires Farming (KBF) is a group of local volunteers working together to understand our regional food system and identify strategies to improve the agricultural economy, local markets for and access to local food. The Great Barrington Agricultural Commission initiated and supports KBF with guidance provided by the Glynwood Center and the Berkshire Regional Planning Commission.
