Filing Marriage Intentions

The filing of Marriage Intentions is done ONLY by appointment.

Please call (413) 528-1619 x 2100 to schedule your appointment.

The couple must come in together to file their Intentions for Marriage.

You'll need to complete the Marriage Intentions Form, the Supplement to Notice of Intentions, and a Marriage Worksheet. Please plan on being here for at least an half hour.

There is a 3-day waiting period from the day Intentions are filed until the Marriage Certificate can be issued. You do not count the day of filing; e.g.: if a couple files on Tuesday they cannot pick up their certificate until Friday.

You can file your intentions up to 60 days before the wedding, but you must marry within the 60 day period as they are only good for 60 days.

We ask that you bring in a photo ID such as a Driver's License or Passport.

The cost for the intentions is \$35.00. Once you are married you can obtain a certified copy of your Marriage Certificate; each copy is \$10.00.
